Dear Ms. DiBianca:

Enclosed is my revised medical expense claim which you will note includes expenses from January 1, 2004 through February 28, 2004 for my medical expenses and January 1, 2004 through January 30, 2004 for Corrine.

Also attached:

- My Certificate of Group Health Plan Coverage (Statement of HIPAA Portability) which states my medical insurance coverage on November 4, 2002 and ended on December 31, 2003. Your office seemed to have been confused with the coverage period but clearly the coverage ended December 31, 2003.
- An email from a representative of Delaware Insurance Commissioner's Office stating that coverage would have in fact existed for Corrine under my plan for the first thirty (30) days after birth.
- Summary comparison of my health insurance coverage both from Lawns Unlimited, LTD and Cecil County Government which indicates that the coverage may have in fact been better with Lawns Unlimited, LTD than Cecil County Government.

For your convenience I have also enclosed the updated Claims Summary and related work papers.

Should you have any questions concerning this matter, please contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "Renée Butz".
